Landing On Well-Shod Feet

True Believers
care nothing
about what works.

It’s dogma! Stupid!
Embrace it or
endure menace.

Patriot?
Traitor?
Choose!

Devil not
in detail,but
attitudes.

Across America,
miraculously,

inside straights
get drawn per-
petually by

Wealth,sanctified
forever, even

by those in treason-
ous opposition,

standing astride
their rude bridges.

Tomorrow’s hun-
dred-percenters.
